IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

Thank you for your loyalty and for making us your vacation of choice.

We have important information regarding Norwegian Bliss’s sailings from April 6, 2024, through and including April 27, 2024. We ask Travel Partners to share this information with impacted guests.

We pride ourselves on delivering incredible experiences, both aboard our ships and by taking our guests to some of the most sought-out destinations around the world. While we try to maintain original itineraries as much as possible, at times modifications are made to optimize the itinerary or to accommodate certain circumstances. As such, in order to enhance the guest experience, the itinerary has been revised to now include a call to Sitka, Alaska; Icy Strait Point, Alaska; and a scenic cruise past Endicott Arm & Dawes Glacier.
