**IMPORTANT INFORMATION
ITINERARY CANCELATION**

Dear Valued Guests and Travel Partners,

On behalf of Norwegian Cruise Line, thank you for your loyalty and for making us your vacation of choice. We have important information regarding your upcoming sailing onboard Norwegian Bliss. Travel Partners are asked to please share this information with impacted guests.

As a result of scheduled technical maintenance, Norwegian Bliss's sailings on January 4, 2025, and February 2, 2025, have been canceled. We sincerely apologize for any inconvenience this may cause.

A full monetary refund of the fare paid will be automatically returned to the form of payment provided at the time of reservation. No further action is required; your refund will be automatically processed within 30 business days. You will see the refund returned to the original form of payment in seven to 10 business days from the processed date. The visibility of the funds is dependent on each financial institution's internal policies.

For those reservations paid via a previously issued Future Cruise Credit (FCC), 100% of the FCC used will be automatically re-applied to your Latitudes account. No further action is required; the FCC will be automatically added to the account within seven days of the cancellation date.

In addition, we have issued a 10% discount in the form of an FCC for a future voyage. This credit may be used by and applied towards any of our published sailings through December 31, 2024. The FCC will be available for use on February 27, 2023.

Our dedicated team is available to help you rebook your dream vacation when you are ready. Please contact us at 1-800-327-7030 or your travel professional to get started. Guests residing outside of the U.S. or Canada should visit www.ncl.com for local contact information.

We sincerely appreciate your understanding and look forward to welcoming you aboard very soon.
