IMPORTANT INFORMATION
Itinerary Change – Embarkation Port Update

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Dawn for your upcoming journey departing October 4, 2026. As we prepare to host you for an unforgettable voyage, please note that the cruise will now embark in Tarragona, Spain, due to port availability in Lisbon, Portugal. Travel partners, please ensure that impacted guests review the information below.

Even the most thoughtfully curated itineraries may require occasional updates, and while these moments can be unexpected, they also create opportunities to reimagine your journey in fresh and meaningful ways. While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

While this shift may be unexpected, Tarragona offers a beautiful welcome of its own, an ancient port city where golden beaches meet remarkably preserved Roman history.

As part of this change, our visit to Portimão, Portugal, has been replaced with a relaxing day at sea, and our time in port in Ibiza, Spain, has been adjusted. This added time onboard allows you to slow down, indulge a little more, and savor the ship at your own pace, whether that means unwinding at the spa, enjoying inspired dining, catching a show, or simply watching the Mediterranean stretch endlessly beyond the horizon. Your updated itinerary is below.
