IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

Thank you for your loyalty and for making us your vacation of choice.

We have important information regarding Norwegian Encore’s sailing on October 17, 2024. We ask Travel Partners to share this information with impacted guests.

We pride ourselves on delivering incredible experiences, both aboard our ships and by taking our guests to some of the most sought-out destinations around the world. While we try to maintain original itineraries as much as possible, at times modifications are made to optimize the itinerary or to accommodate certain circumstances. As such, in order to enhance the guest experience, we have revised the original itinerary to now include a call to Manzanillo, Mexico, Puntarenas (Puerto Caldera), Costa Rica, and an extended call to Puerto Quetzal, Guatemala. The updated itinerary is as follows:

YOUR HEALTH AND SAFETY

While we welcome all guests to sail with us, regardless of vaccination status, and with no testing or masking requirements, it is the responsibility of the guest to be aware of, and to satisfy, any local protocols and/or travel restrictions in place at the visiting destinations at the time of sailing to avoid denial of boarding. Please note that destination specific travel requirements supersede any NCL embarkation protocols. As such, we strongly encourage you to visit www.ncl.com/travel-requirements-by-country to ensure you are in compliance and avoid any chance of being denied boarding. We encourage you to check these sites often, as regulations change frequently and with very short notice.
