IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Epic for your upcoming cruise departing January 10, 2027. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may occasionally evolve. While changes can be unexpected, they also open the door to reimagining the journey in meaningful ways. We plan every detail with care, but from time to time, operational adjustments are necessary. As fellow travelers at heart, we understand the disappointment changes can bring and truly appreciate your understanding.

As part of a recent itinerary refinement, this voyage will no longer include a visit to Cozumel, Mexico. Instead, you'll have an extra day at sea, an unexpected gift of time to settle in, slow down, and savor everything Norwegian Epic does so well. Additionally, the timing of our visits to Great Stirrup Cay, Bahamas, George Town, Cayman Islands, and Falmouth, Jamaica has shifted slightly. Your updated itinerary is below.
