IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Gem for your upcoming cruise departing April 9, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few adjustments to the itinerary due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. We work closely with port authorities to lock in every detail well in advance, however, sometimes circumstances can still shift, and at times we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

Although the ports we are visiting have been modified, we're excited to introduce Funchal, Portugal; Gibraltar, UK; Motril and Ibiza, Spain; as well as Provence (Marseille), France, to your itinerary. Each of these destinations brings its own character, charm, and incredible experiences, from vibrant waterfronts and rich cultural moments to unforgettable food, views, and adventures. Together, they give you fresh opportunities to enjoy the very best of Portugal, Spain, and France, all while keeping the spirit of your original journey fully intact.

Additionally, the timing of our visits to Cádiz (Seville) and Palma de Mallorca, Spain, has been adjusted to better align with port logistics. With this update, we have also extended your time ashore in Palma de Mallorca, giving you even more space to explore its sun-soaked beaches, historic streets, and lively Mediterranean energy. Your updated itinerary is below.
