IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Gem for your upcoming cruise. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result, our planned call to Koper, Slovenia will no longer be part of this voyage. In its place, we're delighted to introduce Trieste, Italy, a city where Italian, Austro-Hungarian, and Slovenian influences come together along a charming waterfront, with easy access to the surrounding region. Your revised itinerary appears below.
