The itinerary for your upcoming vacation on board Norwegian Jewel on February 14, 2025, has changed. Travel Partners are asked to share this information with impacted guests.

We are committed to providing the best vacations at sea and have been working tirelessly to continue elevating the quality of the overall guest experience while positively impacting society and the environment. As we continue to optimize itineraries for fuel optimization, as a part of our commitment to the environment and sustainability efforts, as well as global maritime regulations, we have adjusted the itinerary as shown below.
