**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to the itinerary for Norwegian Jewel's cruise setting sail on August 27, 2026. Travel partners are kindly asked to ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your vacation in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, at times, certain circumstances may necessitate adjustments.

Due to a new development project in the city of Charleston, South Carolina, beginning in July 2026, the port is limiting its cruise operation to smaller vessels. As such, it will no longer be able to accommodate large cruise ships, and our scheduled overnight visit has therefore been canceled. In its place, we're pleased to welcome Saint John, Bay of Fundy and Halifax, Nova Scotia, Canada, to your itinerary. Saint John offers stunning natural scenery, including the world-famous Hopewell Rocks and the dramatic tides of the Bay of Fundy, while Halifax invites you to explore its vibrant waterfront, historic sites, and charming maritime culture. Your updated itinerary is below.
