IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing September 2, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an adjustment to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While we're always working to bring your dream vacation to life, sometimes a small course correction helps us deliver an even better experience. In this case, we've replaced the cruise through Endicott Arm & Dawes Glacier with a scenic cruise through Glacier Bay. Cruising Glacier Bay offers a serene, once-in-a-lifetime journey through towering glaciers, abundant wildlife, and breathtaking, untouched scenery.

As part of this change, we've extended our visits to Juneau and Skagway, Alaska, giving you a little more time to explore these incredible destinations. Your updated itinerary is below.
