**IMPORTANT INFORMATION**  
**Itinerary Change**

Dear Valued Guests and Travel Partners,

We have important information regarding your upcoming sailing on board Norwegian Pearl on June 11, 2025. Travel Partners are asked to share this information with impacted guests.

Due to the restrictions on large cruise ships to sail into the Venice Lagoon and dock at the usual piers, large cruise ships calling to Venice are required to anchor outside of the lagoon and utilize tender boats to access the Port of Venice. While we have made every effort possible to maintain these calls to Venice, the tender operation and overall experience this provides our guests has fallen short of the standard we aim to deliver. As a result, we have replaced the tender call to Venice, with a day at sea, as shown below.

We recognize that Venice is one of the world’s greatest destinations, cherished by both our guests and crew, and as such acknowledge the inconvenience and frustration this disruption may cause. We appreciate the understanding of our loyal guests and travel agent partners.
