IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Pearl cruise setting sail on January 13, 2026. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be. With that in mind, we want to let you know that due to updated port availability, our scheduled visits to Harvest Caye, Belize, and Cozumel, Mexico, have been canceled.

The good news? We're now heading to Colon, Panama, Costa Maya, Mexico, and Great Stirrup Cay, Bahamas. These vibrant destinations offer the perfect mix of relaxation, culture, and adventure. Your updated itinerary is below.
