IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Pearl for your upcoming cruise departing March 28, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent port availability updates, we will no longer visit Puerto Plata, Dominican Republic. In its place, we're excited to welcome Amber Cove, Dominican Republic, to your itinerary. Nestled along the island's stunning northern coastline, Amber Cove offers easy access to beautiful beaches, lush tropical landscapes, and the rich culture and charm the Dominican Republic is known for. Whether you're looking to relax by the water, explore local sights, or simply soak in the vibrant atmosphere, this destination offers plenty of opportunities to make the most of your day ashore. Your updated itinerary is below.
