IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

The itinerary for your upcoming vacation on board Norwegian Spirit on April 2, 2025, has changed. Travel Partners are asked to share this information with impacted guests.

We are committed to providing the best vacations at sea and have been working tirelessly to continue elevating the quality of the overall guest experience while positively impacting society and the environment. As we continue to optimize itineraries for fuel efficiency, as a part of our commitment to the environment and sustainability efforts, we have adjusted the itinerary as shown below. We apologize for any inconvenience the below adjustments may cause.

We recognize the importance that destinations play in our guests' vacation decision-making process and assure you that these modifications were made with an optimal guest experience top-of-mind. As such, while we will no longer visit Busan, Korea, and Wakayama, Japan, we are pleased to share that we have extended our visit to Himeji, Japan.

Additionally, we have added a visit to Tokushima, Japan. In Tokushima, Japan, guests can immerse themselves in the lively Awa Odori dance performances and visit the Awa Odori Kaikan museum to learn more about this traditional art form. They can also explore the scenic Mount Bizan for panoramic views or visit local temples, while enjoying Tokushima's unique cuisine and traditional crafts. The modified itinerary is as follows:
