IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We have an important update regarding your upcoming cruise aboard Norwegian Star, originally scheduled to embark on October 4, 2026. To allow additional time to complete technical enhancements during Norwegian Star's scheduled dry dock, your sailing will now begin on October 7, 2026 and disembark on October 20, 2026. Travel partners are kindly asked to ensure that all impacted guests review this updated information.

We understand that changes to travel dates can be disruptive, and we sincerely appreciate your understanding and flexibility. These enhancements are part of our commitment to maintaining the highest standards across our fleet—ensuring that every detail of your experience is as seamless, comfortable, and enjoyable as possible.

The itinerary may look a little different, but the journey remains just as extraordinary. You'll still visit all the destinations originally planned, now with a slightly adjusted schedule to accommodate the ship's dry dock extension. Below is your updated itinerary:
