IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We have an important update to your upcoming cruise aboard Norwegian Star, sailing on September 27, 2026. Following a change in Norwegian Star's scheduled dry dock for technical enhancements, your sailing has been extended from seven days to ten days, giving you more time to relax and explore even more incredible destinations. Travel partners are asked to please ensure that impacted guests review this information.

As part of this change, the itinerary has been adjusted. While we will no longer visit Oporto, Portugal, we are pleased to announce the addition of four new ports. In France, La Rochelle offers a charming mix of coastal beauty and historic architecture, while Le Verdon-sur-Mer provides easy access to the world-famous Bordeaux wine region. In Spain, Bilbao showcases vibrant Basque culture and modern attractions like the Guggenheim Museum, and Vigo is known for its fresh seafood, beaches, and nearby Cíes Islands. Additionally, the date of our scheduled visit to La Coruña, Spain, has been adjusted.

This new ten-day itinerary provides three extra days to enjoy these exciting destinations at no additional cost. All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. Even better, the number of specialty dining package meals and Wi-Fi minutes associated with any promotional packages will be increased to match the new sailing length. So you can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is as follows:
