IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Aura for your upcoming journey departing January 22, 2028. As we prepare to host you for an unforgettable voyage, we want to share an important update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent updates, we have slightly shortened our stay in Harvest Caye, Belize, which allows us to reach Cozumel, Mexico, at a new, refined time, keeping your journey smooth and unhurried. And while we'll no longer call on Costa Maya, Mexico, we're thrilled to add a stop at our private island, Great Stirrup Cay, your own slice of Bahamian paradise, complete with white-sand beaches, turquoise water, and all the space you need to unwind your way. Your updated itinerary is below.
