Guests Who Purchased Flights Directly Through NCL

If your flights were booked through Norwegian Cruise Line, we've got it handled. Your airfare will be automatically updated to reflect the revised arrival time, if needed, so no action required on your part.

Guests with Independent Flights

If you arranged your own flights, we encourage you to contact your airline to make any necessary changes. We also recommend working directly with your travel insurance provider and airline carrier (if applicable) to explore reimbursement options for any out-of-pocket expenses.

If you're charged change or cancellation fees that aren't covered by your insurance or the airline, we'll reimburse up to \$300 USD per person. To submit for review, please include your receipts along with documentation of a denied claim at www.ncl.com/case-submission.

REQUIRED TRAVEL DOCUMENTATION

A passport, visa, and/or other documentation may be required for your cruise, depending on your nationality and itinerary. If traveling internationally, the countries you are transiting through to join your cruise may also have additional mandatory travel requirements. Printed travel documents must be presented at check-in on embarkation day. As it is your responsibility to secure all necessary documentation, any guest arriving without meeting the proper travel requirements or documentation may be denied boarding at embarkation.

For the most accurate and up-to-date information, we recommend visiting the official government and airport websites (if applicable), of the destinations you will travel to as well as <https://www.ncl.com/freestyle-cruise/cruise-travel-documents>. For assistance with visas, NCL has partnered with VisaCentral to provide you with comprehensive information, visa application kits, and assistance obtaining the necessary visas (if applicable).
