IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're looking forward to welcoming you aboard Norwegian Bliss for your upcoming voyage, where every moment is designed to feel effortless and memorable. As we continue preparing for your sailing, we'd like to share an important update to your itinerary. Travel partners, please ensure that guests review the details below.

Norwegian Bliss is currently completing required maintenance on a propulsion component that is being replaced with care. The safety of our guests and crew is always our top priority, and while this maintenance does not have an impact on the safety of the vessel, the ship will operate at a slightly reduced speed while this work is finalized.

With this in mind, we've refined the timing of our visits to Sitka, Juneau, Icy Strait Point, and Ketchikan, Alaska, to keep your experience feeling smooth and well-paced throughout the journey. Additionally, Victoria, British Columbia will now be a brief technical stop, which means we will dock for a short time to meet local requirements, and guests will remain on board while in port.

We understand that itinerary changes can affect your travel plans, and we sincerely appreciate your understanding and flexibility. Our priority remains delivering a memorable and seamless vacation, and our onboard teams will be ready to assist you every step of the way. Your updated itinerary is included below.
