**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Bliss for your upcoming cruise departing September 19, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we've adjusted the timing of our scheduled visits to Juneau and Ketchikan, Alaska. Additionally, we will no longer be visiting Sitka or Icy Strait Point, Alaska. In their place, we're pleased to welcome Skagway, Alaska and a cruise through Glacier Bay to your itinerary. These new additions offer equally compelling experiences and unforgettable moments, ensuring your cruise remains every bit as memorable as planned. Similar to Sitka and Icy Strait Point, Skagway delivers an authentic small-town Alaska experience rooted in local culture, rich history, and easy access to wilderness adventures. Cruising Glacier Bay offers travelers a serene, once-in-a-lifetime journey through towering glaciers, abundant wildlife, and breathtaking, untouched scenery. Your updated itinerary is below.
