IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're looking forward to welcoming you aboard Norwegian Bliss for your upcoming voyage, where every moment is designed to feel effortless and memorable. As we continue preparing for your sailing, we'd like to share an important update to your itinerary. Travel partners, please ensure that guests review the details below.

While we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. We understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As a result, the order of our visits to Juneau, Alaska and Endicott Arm & Dawes Glacier has been adjusted. While both experiences remain part of your voyage, Juneau will now be visited earlier in the day, followed by your scenic cruising through Endicott Arm & Dawes Glacier. This update allows us to maintain these remarkable destinations while ensuring a smooth and enjoyable journey. Your updated itinerary is below.
