**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made a small update to your itinerary for your upcoming Norwegian Breakaway cruise setting sail on July 22, 2025. Travel partners are asked to please ensure that impacted guests review this information.

We know a lot goes into planning the perfect vacation: countless dreams of ocean breezes, way too many shoes packed "just in case," and a countdown clock that's getting harder to ignore. So, when we make an itinerary change, it's never just a line on a map, it's something we consider carefully, always with your experience at the heart of it.

Every now and then, unexpected changes come our way, like port congestion, that can shake up even the best-laid plans. While we work closely with port authorities to secure every detail well in advance, circumstances can still shift, and occasionally we're informed that space is no longer available. Although these changes are beyond our control, we understand they may cause some inconvenience and truly appreciate your understanding.

That said, we want to let you know that due to updated port availability, our visit to Valletta, Malta, has been adjusted as outlined below.
