IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Breakaway for your upcoming cruise. As part of our commitment to delivering a seamless and thoughtfully managed experience, we'd like to share a brief update regarding your itinerary. Travel partners are kindly asked to ensure that impacted guests review the information below.

While every effort is made to maintain our carefully planned schedule, certain operational requirements occasionally call for adjustments along the way. These moments allow us to proactively manage your journey to ensure continued comfort, reliability, and an on-time arrival at each destination.

As part of scheduled diesel generator maintenance onboard Norwegian Breakaway, we'll be making a slight adjustment to our departure time from Royal Naval Dockyard on June 19, 2026. This routine maintenance is standard and will not impact your overall experience, though it may briefly affect our cruising speed. To keep everything comfortably on schedule for our arrival into Boston, our departure from Bermuda will shift from 3:00 pm to 2:00 pm. We recognize that time ashore is important, and you'll still have plenty of time to enjoy Bermuda before departure. Your updated itinerary details are outlined below.

Printed travel documents must be presented at check-in on embarkation day. As it is your responsibility to secure all necessary documentation, any guest arriving without meeting the proper travel requirements or documentation may be denied boarding at embarkation.
