**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Breakaway for your upcoming cruise departing July 12, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, we will no longer be visiting Halifax, Nova Scotia, Canada. In its place, we've added an additional overnight stay in Royal Naval Dockyard, Bermuda, and an extra day at sea. This change provides even more time to enjoy unforgettable moments both ashore and on board, ensuring your cruise remains every bit as memorable as planned. Royal Naval Dockyard, Bermuda offers a vibrant blend of island culture, stunning oceanfront scenery, and easy access to top beaches and attractions, all set within a lively historic waterfront hub perfect for shopping, dining, and adventure. Your updated itinerary is below.
