IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

Your planned cruise aboard Norwegian Dawn, originally scheduled as a 7-day journey beginning April 19, 2026, has been adjusted to an 8-day sailing, now departing on April 18, 2026, due to updated port availability in Lisbon, Portugal. Travel partners are asked to please ensure that impacted guests review this information.

While the ports we are visiting have been modified, we're excited to introduce Melilla and Valencia, Spain, to your itinerary. These new destinations offer equally compelling experiences and unforgettable moments ashore, ensuring your cruise remains every bit as memorable as planned. In Melilla, you'll experience a unique blend of Spanish and North African influences, with striking architecture, lively plazas, and a coastal charm all its own. In Valencia, you can enjoy its vibrant waterfront, stunning modern architecture, and incredible local cuisine. Additionally, the timing of our visits to Portimão, Portugal, and Cádiz, Motril, and Ibiza, Spain, has been adjusted to better align with port logistics, while all other port times remain unchanged.

All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. You can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is as follows:
