IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made a small update to your itinerary for your upcoming Norwegian Encore cruise setting sail on February 14, 2026. In addition, the departure time from Miami, Florida, has been adjusted from 5:00 p.m. to 4:00 p.m. local time. Travel partners are asked to please ensure that impacted guests review this information.

We know planning a vacation is practically a full-time job with researching, planning, and cramming everything you *might* need into a suitcase that barely zips. It's a whole production, and we see you. So, when we make an itinerary change, it's never just a line on a map, it's something we think about carefully, always with your experience at the heart of it.

Every now and then, unexpected changes pop up, like port availability, that can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that we've slightly extended our visit to Harvest Caye, Belize. In addition, please note that our departure from Miami, Florida, will now be at 4:00 p.m. local time. Your updated itinerary is below.
