IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made a small update to the itineraries for Norwegian Encore's February 28, 2026, and March 7, 2026, sailings. In addition, the departure time from Miami, Florida, has been adjusted from 5:00 p.m. to 4:00 p.m. local time. Travel partners are asked to please ensure that impacted guests review this information.

We know planning a vacation is practically a full-time job with researching, planning, and cramming everything you *might* need into a suitcase that barely zips. It's a whole production, and we see you. So, when we make an itinerary change, it's never just a line on a map, it's something we think about carefully, always with your experience at the heart of it.

With that in mind, we have an earlier start to our cruise adventure, giving us a smoother sail out and setting us up for on time arrivals at each port. Even better, we've slightly extended our visit to Harvest Caye, Belize. Your updated itinerary is below.
