IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Epic for your upcoming cruise departing November 1, 2026. As part of our commitment to delivering a seamless and enriching experience, we've made a few adjustments to the itinerary. Travel partners are asked to please ensure that impacted guests review this information.

While we're always working to bring your dream vacation to life, sometimes a small course correction helps us deliver an even better experience. In this case, we've replaced our visits to Casablanca, Morocco, and Santa Cruz de La Palma, Spain, with a sea day and a call to Santa Cruz de Tenerife, Spain. This adjustment allows for necessary refueling operations in Tenerife and ensures a more seamless, immersive journey from port to port. Similar to Santa Cruz de La Palma, Santa Cruz de Tenerife offers a vibrant blend of scenic beauty, local culture, and inviting coastal charm.

Drawing on our experience as avid cruisers ourselves, we've also updated the timing of our visit to St. Thomas, Virgin Islands, to support an easier immigration process and an effortless flow to your day ashore. We've also extended our time in both Great Stirrup Cay and Cádiz (Seville), Spain, giving you even more time to explore and enjoy these standout destinations. Whether you're soaking up the sun on our private island's pristine beaches or discovering the lively streets and historic plazas of Cádiz, you'll have plenty of opportunities to make the most of each port. Your updated itinerary is below.
