IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Epic for your upcoming cruise departing December 20, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully curated itineraries may occasionally evolve. While changes can be unexpected, they also open the door to reimagining the journey in meaningful ways. Although we coordinate closely with port authorities to confirm every detail well in advance, operational conditions can change, and at times we're informed that space is no longer available. As fellow travelers at heart, we understand the disappointment changes can bring and truly appreciate your understanding.

As part of this recent itinerary refinement, this voyage will no longer include a visit to George Town, Cayman Islands. Instead, we'll enjoy an additional day at sea, an easy, unhurried stretch of time to slow down, savor the sunshine, and slip into the rhythm of life aboard Norwegian Epic. It's a chance to wander a little, lounge a little, and let the ship become part of the adventure. Additionally, the timing of our visits to Falmouth, Jamaica and Cozumel, Mexico have shifted. Your updated itinerary is below.
