IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Epic for your upcoming cruise departing April 11, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent updates, the timing of our visits to Great Stirrup Cay, Bahamas, Falmouth, Jamaica, George Town, Cayman Islands, and Cozumel, Mexico, has been adjusted. We're pleased to share that all of these destinations remain part of your journey, with calls now planned on slightly different dates and times than originally scheduled. Your updated itinerary is below.
