IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Epic for your upcoming cruise departing June 13, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

As part of this update, this voyage will no longer include a visit to Cannes, France. Instead, we're pleased to introduce Palma De Majorca, Spain, where seaside cafés, centuries-old streets, and sweeping coastal views create a memorable new chapter in your journey. Additionally, the timing of our visit to Provence (Marseille), France, has shifted. Your updated itinerary is below.
