**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Escape cruise setting sail on December 14, 2025. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that due to updated port availability, our visit to Costa Maya, Mexico, has been canceled. The good news is that we've extended our visits to Cozumel, Mexico, and Harvest Caye, Belize, giving you even more opportunities to explore these amazing destinations. Your updated itinerary is below.
