IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Encore for your upcoming journey departing October 12, 2026. As part of our commitment to delivering a seamless, memorable experience, we'd like to share an update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often make room for a different kind of discovery, a fresh rhythm to your vacation, new views along the way, and a little more space to simply settle into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time-to-time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary adjustments can bring a moment of disappointment, and we truly appreciate your flexibility.

As part of the latest updates, your embarkation in Vancouver will now begin at 8:00 pm. As our 12:15 am departure remains the same, you'll still have the chance to watch Vancouver's skyline shimmer as we sail out, an unforgettable way to ease into your journey. We will also no longer call on Astoria, OR. Instead, your voyage now includes an overnight in San Francisco, CA, a city that truly comes alive after dark. From its glowing waterfront and late-night culinary gems to spirited neighborhoods where music, culture, and conversation spill into the evening, San Francisco offers a vibrant nighttime energy that invites you to explore a little deeper and linger a little longer. Your updated itinerary is included below.
