IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Getaway cruise setting sail on October 29, 2025. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. With that in mind, we want to let you know that due to updated port availability, our scheduled visit to Bimini and Nassau, Bahamas, has been canceled. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

The good news? We've added a visit to Cozumel, Mexico. Get ready to explore the vibrant island of Cozumel, where crystal-clear waters, world-class snorkeling, and rich Mayan history await. Whether you're diving into colorful coral reefs, strolling through charming downtown shops, or savoring authentic Mexican cuisine, Cozumel promises an unforgettable experience for every traveler. Your updated itinerary is below.
