**IMPORTANT INFORMATION**

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Getaway cruise setting sail on November 3, 2025. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that due to updated port availability, our scheduled visit to Bimini, Bahamas, has been canceled. In addition, the date in port for our scheduled visit to Great Stirrup Cay, Bahamas, has been slightly adjusted. The good news is that we are still visiting this incredible destination, just on a slightly different date than originally planned.

An unexpected additional day at sea means even more time to dive into everything Norwegian Getaway has to offer. From gourmet dining and award-winning entertainment to poolside lounging and well-earned "me time" at the spa, this is your chance to truly settle in and enjoy the ride. Once you're onboard, be sure to check your Freestyle Daily or open the NCL App, your go-to guide for all the details on activities, entertainment, dining, and more. Your updated itinerary is below.
