IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

The itinerary for your upcoming vacation on board Norwegian Getaway on September 7, 2025, has changed. Travel partners are asked to please ensure that impacted clients review this information.

As passionate cruisers ourselves, we understand that a great vacation is about more than just the destinations, it's about how they're experienced. For this reason, we do not make changes lightly, and any adjustments are carefully considered with the guest experience in mind. The changes below were driven by port availability and tidal conditions, along with arrival and departure time adjustments at various destinations. These shifts were made to create a more seamless experience and ensure punctual arrivals at each port.

We recognize the important role destinations play in our guests' vacation planning and understand that this news may be disappointing, especially given the excitement of exploring a new place. While we will no longer be visiting Portland, ME, we are pleased to offer you the opportunity to visit Boston, MA. Known for its rich history and vibrant culture, Boston offers an unforgettable experience. Walk the famous Freedom Trail, a 2.5-mile route through the heart of historic Boston, or visit the iconic Fenway Park, one of the oldest baseball stadiums in the country. You can explore world-class museums, savor incredible seafood like its famous clam chowder, and enjoy scenic views of the harbor. The revised itinerary is as follows:
