IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Getaway cruise setting sail on February 20, 2026. In addition, the departure time from Miami, Florida, has been adjusted from 5:30 p.m. to 4:00 p.m. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to share a few itinerary updates due to revised port availability. Our scheduled call to St. John's, Antigua, has unfortunately been canceled. In addition, the dates and times for our visits to Puerto Plata, Dominican Republic, and St. Thomas, U.S. Virgin Islands, have been adjusted. The good news? You'll still be soaking up the sun in both incredible destinations, just in a new order and with a little extra time to explore each port.

Even better, we've added a call to Nassau, Bahamas, where colorful culture, white-sand beaches, and turquoise waters come together in perfect harmony. From historic landmarks and vibrant markets to local island flavors, get ready to experience Nassau's irresistible energy. Whether you're diving into culture or simply basking in the sun, it's pure Caribbean magic.

Please note that we will now depart from Miami, Florida, at 4:00 p.m. Your updated itinerary is outlined below.
