IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Jade cruise setting sail on January 3, 2026. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that due to updated port availability, we will no longer visit Puerto Vallarta, Mexico. The good news? We've extended our visit in Mazatlan, Mexico, and all of the other incredible destinations are still on the itinerary, just in a slightly different order and with minor time adjustments from the original plan.

Even better, we've added a visit to Ensenada, Mexico, giving you the chance to explore this charming coastal city filled with vibrant culture, delicious cuisine, and stunning ocean views. From strolling along the picturesque waterfront to sampling local flavors and soaking up the lively atmosphere, Ensenada promises a fresh and exciting adventure to complement your cruise experience. Your updated itinerary is below, so you can start picturing all the amazing moments waiting for you.
