**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Jade for your upcoming journey departing October 18, 2026. As we prepare to host you for an unforgettable voyage, we want to share an important update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent updates, we're pleased to share a small change that we think you'll genuinely enjoy. We'll now linger a bit longer in Mount Fuji (Shimizu), Japan, giving you a little extra time to soak in those incredible views. And instead of sailing to Nagoya, Japan, we'll head straight into Tokyo for an early arrival and an overnight, opening up a full evening to experience the city's nightlife, energy, and everything that makes it unforgettable. Your updated itinerary is included below.
