**IMPORTANT INFORMATION**  
**Disembarkation Port & Itinerary Update**

Dear Valued Guests and Travel Partners,

The disembarkation port for your upcoming cruise aboard Norwegian Jade on October 29, 2026, has changed from Tokyo, Japan, to Yokohama, Japan, due to limited port availability in Tokyo. In addition, we've made some adjustments to your itinerary below. Travel Partners are asked to please ensure that impacted guests review this information.

We know a lot goes into planning the perfect vacation: endless daydreams of ocean breezes, last-minute packing decisions, and a countdown clock that's getting harder to ignore. So, when we adjust an itinerary, it's never just a line on a map, it's something we weigh carefully, always with your experience at the heart of it.

Every now and then, unexpected changes come our way, like port congestion, that can shake up even the best-laid plans. While we work closely with port authorities to secure every detail well in advance, circumstances can still shift, and occasionally we're informed that space is no longer available. These changes are outside our control, and as passionate cruisers ourselves, we truly understand how disappointing this can be. We're genuinely sorry for any disruption and want to assure you we're here to make the process as smooth as possible.

While we'll no longer visit Nagasaki and Kagoshima, Japan, we're excited to welcome Sakata and Sasebo, Japan, to the journey. In Sakata, you can soak up traditional culture and stroll charming streets full of history, while Sasebo offers stunning harbor views and delicious local eats. Plus, we've extended our time in Akita, giving you extra hours to explore its beautiful gardens, vibrant festivals, and authentic regional flavors.

Please note, your cruise will now disembark in Yokohama, Japan, on November 12, 2026. The updated itinerary is as follows:
