**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Jade for your upcoming journey departing October 29, 2026. As we prepare to host you for an unforgettable voyage, we want to share an important update to your itinerary. Travel partners, please ensure that impacted guests have a chance to review the information below.

While we're always working to bring your dream vacation to life, every now and then a small course correction lets us shape an experience that feels even more memorable. With this update, we're delighted to share that your journey now includes extended time in Sasebo, Japan and cruising through the Kanmon Strait, a narrow, storied waterway framed by hillsides and historic port towns, offering a beautiful moment to settle in on deck and take in the views.

To accommodate the timing required to sail through the Kanmon Strait, we've made a slight adjustment to our call in Hiroshima, Japan. Your updated itinerary is below.
