IMPORTANT INFORMATION
Embarkation Port & Itinerary Update

Dear Valued Guests and Travel Partners,

The embarkation port for your upcoming cruise aboard Norwegian Jade on October 7, 2026, has changed from Tokyo, Japan, to Yokohama, Japan, due to limited port availability in Tokyo. In addition, we've made a small adjustment to your itinerary below. Travel Partners are asked to please ensure that impacted guests review this information.

We know a lot goes into planning the perfect vacation: endless daydreams of ocean breezes, last-minute packing decisions, and a countdown clock that's getting harder to ignore the closer you get to embarkation day. So, when we adjust an itinerary, it's never just a line on a map, it's something we weigh carefully, always with your experience at the heart of it.

Every now and then, unexpected changes come our way, like port congestion, that can shake up even the best-laid plans. While we work closely with port authorities to secure every detail well in advance, circumstances can still shift, and occasionally we're informed that space is no longer available. These changes are outside our control, and as passionate cruisers ourselves, we truly understand how disappointing this can be. We're genuinely sorry for any disruption and want to assure you we're here to make the process as smooth as possible.

While we'll no longer visit Nagoya, Japan, we're excited to add Sendai, Japan, to the journey. It's a vibrant city bursting with rich culture, fresh local flavors, and easygoing charm. Like Nagoya, it offers a perfect blend of modern energy and historic character, with plenty to explore ashore. We've also tweaked the port times in Hakodate, Japan, just a bit.

Please note, your cruise will now depart from Yokohama, Japan, on October 7, 2026. The updated itinerary is as follows:
