IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to share an update to your upcoming cruise aboard the Norwegian Jade, sailing on December 9, 2026. Due to updated port availability in Singapore, Singapore, your itinerary has been revised and your sailing has been extended from 12 days to 14 days, giving you even more time to relax, unwind, and explore some truly unforgettable destinations. Travel partners are asked to please ensure that impacted guests review this information.

As part of this change, Boracay Island, Philippines, renowned for its stunning beaches and vibrant atmosphere, has been added as a port of call, plus our time visiting in Laem Chabang, Thailand, has been extended, allowing for deeper exploration of Bangkok. Several port timings have also been adjusted to improve the overall flow of your journey.

This new 14-day itinerary provides two extra days to enjoy these destinations at no additional cost. All existing pricing, promotions, and packages tied to your reservation will remain fully protected. If you've added prepaid daily service charges, a promotional beverage package, or promotional dining package, those will be price protected based on your original sailing length. So you can look forward to an extended vacation with even more unforgettable experiences included. Your updated itinerary is as follows:
