IMPORTANT INFORMATION
Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for the upcoming Norwegian Jade cruise setting sail on March 11, 2026. Travel partners are kindly asked to ensure that impacted guests review this information.

We know that planning a vacation is practically a full-time job. Between researching, coordinating, and cramming everything you might need into a suitcase that barely zips, it's a whole production, and we see you. So when we make an itinerary change, it's never just a line on a map. It's a decision we consider carefully, always keeping your experience at the heart of it.

Every now and then, unexpected changes like port availability can shake up even the best-laid plans. While we work closely with port authorities to lock in every detail well in advance, circumstances may still shift, and sometimes we are informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

With that in mind, we want to let you know that due to updated port availability, we've canceled our visit to Puerto Vallarta, Mexico. The good news? We've only slightly shifted the times in Cabo San Lucas, Mexico, and all of the other incredible destinations are still on the itinerary.

Even better, we've added a visit to Mazatlán, Mexico, giving you the chance to explore this vibrant coastal city full of charm, color, and culture. Picture yourself wandering along its scenic Malecón, sampling fresh seafood at a local market, or soaking up the sun on its beautiful beaches. From historic architecture to lively plazas and local flavors, Mazatlán promises a perfect mix of adventure and relaxation, making it a can't-miss addition to your cruise experience.

Your updated itinerary is below, so you can start picturing all the unforgettable moments waiting for you on board.
