**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard the Norwegian Jade for your upcoming cruise departing October 13, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made a few itinerary adjustments due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

While even the most carefully planned itineraries may require occasional updates, these moments also offer an opportunity to reimagine your journey in exciting and meaningful ways. Although we work closely with port authorities to lock in every detail well in advance, circumstances can still shift, and sometimes we're informed that space is no longer available. These changes are often beyond our control, and as passionate cruisers ourselves, we truly understand how disappointing they can be.

As a result, the timing of our visits to Nagoya and Hakodate, Japan, has changed. Additionally, we will no longer be visiting Osaka (Wakayama), Aomori, and Sakaiminato, Japan. In its place, we're pleased to welcome Kobe, Ishinomaki (Sendai) and Maizuru, Japan, to your itinerary. These new destinations offer equally compelling experiences and unforgettable moments ashore, ensuring your cruise remains every bit as memorable as planned. Kobe, Ishinomaki, and Maizuru each showcase a distinct side of Japan's coastal charm, from Kobe's stylish harbor, gourmet dining, and mountain views to Ishinomaki's warm, authentic seaside culture and creative spirit, and Maizuru's serene bay framed by naval history and natural beauty. Together, they offer travelers a richly varied journey through vibrant city life, heartfelt local traditions, and peaceful maritime landscapes. Your updated itinerary is below.
