**IMPORTANT INFORMATION**

**Itinerary Change**

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Jade for your upcoming journey departing March 14, 2027. As we prepare to host you for an unforgettable voyage, we want to share an important update to your itinerary following newly revised port availability. Travel partners, please ensure that impacted guests have a chance to review the information below.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent updates, we will no longer call on Kagoshima, and Osaka, Japan. In their place, we're pleased to introduce visits to Hakata (Fukuoka) and Beppu, Japan, along with a scenic cruise through the Kanmon Strait, a narrow, storied waterway framed by hillsides and historic port towns, offering a beautiful moment to settle in on deck and take in the views. Each destination offers its own inviting blend of coastal scenery, culture, and unhurried time ashore to explore at your own pace. As part of this update, the timing of our visits to Hiroshima and Kochi, Japan, has been refined. Your updated itinerary is below.
