IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We're delighted to welcome you aboard Norwegian Jade for your upcoming journey departing June 7, 2027. As we prepare to host you for an unforgettable voyage, we want to share a small update to your itinerary. Travel partners, please ensure that impacted guests have a chance to review the information below.

As we finalize the many details that bring your vacation to life, occasional schedule adjustments may be made to support the overall guest experience and vessel operations. We appreciate your understanding and flexibility as these updates are implemented.

As part of an itinerary enhancement, your voyage will now include scenic cruising in Glacier Bay, replacing the previously scheduled scenic cruising at Hubbard Glacier. Guests will have the opportunity to enjoy breathtaking views of Glacier Bay's magnificent glaciers, dramatic landscapes, and abundant wildlife while sailing through one of Alaska's most celebrated natural wonders. Additionally, our timing in Icy Strait Point, AK has been adjusted. Your updated itinerary is provided below.
