**IMPORTANT INFORMATION**  
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Jewel for your upcoming cruise departing July 24, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent port availability updates, we will no longer visit Klaipeda, Lithuania. In its place, we're excited to welcome Gdynia (Gdansk), Poland to your itinerary, a vibrant coastal gateway known for its maritime heritage, charming Old Town streets, and easy access to the historic city of Gdansk, where centuries of culture, architecture, and Baltic beauty come together. As part of this change, the timing of our visit to Riga, Latvia has shifted. Your updated itinerary is below.
