IMPORTANT INFORMATION

Itinerary Change

Dear Valued Guests and Travel Partners,

We've made an update to your itinerary for your upcoming Norwegian Joy cruise setting sail on February 13, 2026. Travel partners are asked to please ensure that impacted guests review this information.

We know planning a vacation is practically a full-time job with researching, planning, and cramming everything you *might* need into a suitcase that barely zips. It's a whole production, and we see you. So, when we make an itinerary change, it's never just a line on a map, it's something we think about carefully, always with your experience at the heart of it.

In this case, a previously scheduled stop at Great Stirrup Cay, Bahamas, on February 19, 2026, has been canceled due to a private charter event. We know a change can be a letdown, and as fellow cruise lovers, we truly understand how disappointing it can be. With an unexpected day at sea, you have more time to explore everything Norwegian Joy has to offer! From incredible dining to entertainment and activities, we've got you covered. Once onboard, be sure to check out the Freestyle Daily or hop on the NCL App to see what's happening each day on the ship.

But here's the silver lining: we've extended your stay in Tortola, British Virgin Islands. With four extra hours in port, you've got even more time to soak up the sun, stroll the waterfront, and maybe even squeeze in one more adventure! Whether it's exploring hidden coves, snorkeling in crystal-clear waters, or just kicking back with a rum punch and island views, your extra time in paradise is yours to enjoy, however you choose to spend it.

We appreciate your understanding and can't wait to welcome you aboard for a vacation that's still full of unforgettable moments and well-earned relaxation. The updated itinerary is as shown below.
