**IMPORTANT INFORMATION**  
Itinerary Change

Dear Valued Guests and Travel Partners,

We're excited to welcome you aboard Norwegian Joy for your upcoming cruise departing March 1, 2027. As part of our commitment to delivering a seamless and enriching experience, we've made an itinerary adjustment due to newly updated port availability. Travel partners are asked to please ensure that impacted guests review this information.

Even the most thoughtfully planned sailings can occasionally shift course. While these moments aren't always expected, they often open the door to fresh ways of experiencing your vacation, new rhythms, new views, and a little more room to simply relax into the journey. We work closely with port authorities around the world to secure each call far in advance, but from time to time circumstances change and we're informed that space is no longer available. As fellow travelers at heart, we understand that itinerary changes can bring disappointment, and we truly appreciate your understanding and flexibility.

Due to recent availability updates, our visit to Nassau, Bahamas has been replaced with an additional day at sea. This unplanned pause creates more time to fully enjoy what makes life aboard Norwegian Joy so special. It's an invitation to slow down, indulge a little more, and savor the ship at your own pace, whether that means a moment of calm at the spa, a standout dining experience, an unforgettable show, or simply taking in the vast Pacific as it stretches endlessly around you. Your updated itinerary is below.
